USCA Securities Bank Deposit Sweep Program APY/Interest Rate Tiers

USCA Securities LLC ("USCA"), through National Financial Services ("NFS"), offers a Bank Deposit Sweep Program for clients' cash balances in eligible accounts custodied at NFS through USCA (including accounts that have advisory services provided by Arax Advisory Partners, LLC d/b/a U.S. Capital Wealth Advisors ("USCWA")). The Bank Deposit Sweep Program is the default cash sweep vehicle for eligible USCA accounts; however, clients have the option to select a designated money market fund (currently FZFXX) as an alternative cash sweep vehicle.

The rates for the Bank Deposit Sweep Program, as of December 11, 2025 are set forth below; interest accrues daily and is paid monthly. Amounts reflecting interest paid will be presented on your brokerage account statements. The rates are subject to change at any time, without notice to you. For a current list of complete rates, please contact your Investment Representative.
